124-003R009

A dark blue, tall cabinet with a white marble countertop. The top section is open shelving with three shelves, holding various bottles and a potted plant. The bottom section is a closed cabinet with a single door and a white knob.

A large, oval-shaped mirror with a dark blue frame, mounted on the wall above the vanity. The mirror reflects a green plant.

A dark blue vanity unit with two white rectangular sinks. The vanity has two drawers with white knobs and a lower shelf. The lower shelf holds folded towels and a small basket. The vanity is set against a wall with white vertical paneling.

A large, floor-to-ceiling window with a white frame, providing a view of a lush green landscape with trees and a garden. The window is partially covered by a white curtain on the right side.

A white toilet with a white tank, mounted on the wall. A roll of white toilet paper is mounted on the wall next to the toilet.

Two framed abstract artworks with white and gold tones, mounted on the wall above the toilet.

A white light switch with two circular buttons, mounted on the wall.

SENTO

— Created with your comfort in mind.

The SENTO series offers solutions that will take care of your comfort. Appropriately wide shapes will ensure full satisfaction with the use of products from this collection. Their form guarantees space saving and a perfect fit in the room.

METROPOLE

— New technology close to you.

METROPOLE washing pan is an innovative solution for sophisticated users. Simple, delicate shapes will give the interior a more contemporary atmosphere, while keeping its elegant character, and cutting-edge systems will make it easier to take care of cleanliness and hygiene in your bathroom.

V-CARE INTELLIGENT wall-hung WC pan,
60x38 cm, WC seat included, rimless, glossy white

5674B003-6194

V-CARE SYSTEM

• — Design and technology that takes care of you.

Hygiene standard higher than ever before...

- » Touchless cleanliness
- » Space saving by using two products simultaneously
- » Regulated water and WC seat temperature
- » The newest cleaning, drying and refreshing system
- » All features available from the remote control panel
- » Easy and hygienic cleaning with Rim-ex solution
- » Innovative solution for opening and closing the WC seat

Details customized to your needs...

The movable washing nozzle is designed so that the user can take care of his hygiene with maximum comfort. It has five levels of water temperature and an adjustable outflow stream. By changing the overhang, you will adjust its position to make it comfortable for you.

WASHING FROM BEHIND

WASHING FROM FRONT

5 LEVELS OF WATER PRESSURE

PULSE JET

OSCILLATORY MOTION OF THE NOZZLE

Drying

A built-in dryer with five temperature levels allows you to quickly and gently dry your body after washing.

Filters

An air purifying function supported by deodorizing filters removes unwanted odors from the environment.

HEATED WC SEAT

VITRA INNOVATIONS

RIM-EX

RIM-EX rimless WC pans prevent the spread of bacteria and dirt. Thanks to their innovative design, RIM-EX WC pans are easy to clean for maximum hygiene.

1. RIMLESS SURFACE EASY TO CLEAN

- no rim where dirt and germs accumulate
- shape of WC pan designed to facilitate efficient flushing

2. WATER OUTLET

- no hole where bacteria can grow
- precise water flow

3. WATER DIVIDER

- removable part for easy cleaning
